

## Lesson for Grades 2-3

Curated video- PAFTE from Dr. Nelia G. Prieto January 15, 2022

1. Title: How to Write a Research Paper for Kids
2. Link: <https://www.youtube.com/watch?v=h5HM8GjQwP8>
3. Grade level/Subject: English for Grade 3
4. Modality: Online without students (Asynchronous)
5. Topic/subject matter discussed: Making Inferences
6. Activity/activities that can be observed: The lesson will discuss the following: A. sources of information, B. how to use different sources, C. ways of collecting ideas. D. how to organize the ideas.
7. Instructional task/s that can be observed: A. makes the students realize the importance of researching, B. guide the students identify the topic that suits their interest, C. the students will fill in the research table.
8. Other features: This video series teaches kids to write a research paper or to make inference in a given topic. Each video leads children through each step of the writing process. In this video, I discussed how to collect information and organize ideas in a given topic. Check out and subscribe to YouTube channel for videos on other related materials

Other suggestions:

1. We also need to make templates for English and Filipino.
2. Probably have an editor for the description we will write in English and in Filipino.
