### PAFTE V ATTENDS THE INVESTITURE OF THE 9TH PRESIDENT OF BICOL UNIVERSITY

The investiture of the 9th President of Bicol University, Dr. Baby Boy Benjamin D. Nebres III, was a momentous occasion attended by PAFTE V Officers, who proudly witnessed the appointment of one of their former chairs to this prestigious position. The event took place on June 14, 2023, at the beautiful St. Gregory the Great Cathedral in Legazpi City.

A notable highlight of the ceremony was the 'imposition of the academic medallion' shared with the previous eight presidents (Dr. Nebres being the 9th) symbolizing the new president's leadership and academic excellence, an honor he shared with the four previous distinguished university presidents.

The ceremony's conclusion was a poignant moment as a posthumous honor was bestowed upon the first three BU presidents, recognizing their monumental contributions as the visionary pioneers and founding pillars of this esteemed institution. Their legacy continues to shape and inspire the university's path.

The occasion served as a powerful testament to the continued dedication and pursuit of academic excellence in Bicol University under the leadership of Dr. Baby Boy Benjamin D. Nebres III, an esteemed educator and former PAFTE V chair.
