- 2. Link:**
- 3. Grade level/ Subject:** Grade 3 (English)
- 4. Modality:** Face-to-face/ pseudo demo (no students)
- 5. Topic/Subject Matter:** Storytelling: The Donkey in the Lion's Skin
- 6. Activity that can be observed:**

The microteaching video revolves around the story titled, "The Donkey in the Lion's Skin," with the teacher as the storyteller making use of pictures. At the end of the storytelling session, the learners are expected to identify the characters in the story and answer comprehension questions that are intended to determine if they understood the entire story. The learners are likewise made to explain the moral lesson derived from the story.

7. Instructional task/s that can be observed:

The video illustrates the smooth flow of the lesson from the review of the previous lesson, to the presentation of the lesson objectives, the lesson proper, and the evaluation. The lesson proper consists of motivation, the main activity (storytelling) interspersed with comprehension questions, followed by the valuing question on the moral lesson that can be derived from the story. The lesson culminates with an evaluation activity, and a take-home assignment.

8: Other features:
